Mountains close by the Sea

We are pleased to introduce to you the district of the Province of Pescara. We are in the centre of Italy, in the Abruzzo region, just a couple of hours by car from Rome. A wonderful land that lies between the Apennines slopes and the Adriatic sea. A place where we sum up the Italian features that make our nation so appreciated all over the world: nature, art, wine and food. Enjoy our mountains just a stone's throw from the sea.
